MARKS PUBLISHED FOR OPPOSITION

The following marks are published in compliance with section 12(a) of the Trademark Act of 1946. Applications for the registration of marks in more than one class have been filed as provided in section 30 of said act as amended by Public Law 772, 87th Congress, approved Oct. 9, 1962, 76 Stat. 769. Opposition under section 13 may be filed within thirty days of the date of this publication. See Rules 2.101 to 2.105.

A separate fee of twenty-five dollars for opposing each mark in each class must accompany the opposition.

SECTION 1.—INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).

SECTION 1.—INTERNATIONAL CLASSIFICATION

The short titles associated below with the international class numbers are terms designed merely for quick identification and are not an official part of the international classification. The full names of international classes are given in section 6.1 of the trademark rules of practice.

The designation "U.S. Cl." appearing in this section refers to the U.S. class in effect prior to Sep. 1, 1973 rather than the international class which applies to applications filed on or after that date. For adoption of international classification see notice in the OFFICIAL GAZETTE of Jun. 26, 1973 (911 O.G. TM 210).
